

# EASTERN PARTNERSHIP/RUSSIA AND CENTRAL ASIA COOPERATION -1ST WORKING GROUP MEETING

**23RD JUNE 2021**

**14.00 - 16:00**

**ONLINE**

Members' participation and active involvement are two cornerstones of ALDA's work and the basis of our strength and added value.

This is not only a programmatic and theoretic approach, but also concrete actions taken by the Association, whose democratic life is relaunched and refreshed every 4 years, concurrently with the appointment of the Governing Board of ALDA, that has now approved as one of their first actions the activation and animation of the new ALDA Working Groups (WG).

## **Reinforcing responsible global leadership**

The coronavirus pandemic is a powerful reminder that Europe can only tackle global challenges through global cooperation. Together, we can address the critical issues such as peace and security, climate change, sustainable development and the global recovery.

## **Eastern Partnership, Russia and Central Asia Cooperation**

Decentralized cooperation between Europe and the Eastern partnership countries, Russia and Central Asia should follow an inclusive and multi-stakeholder approach, towards a mutual cooperation that aims to develop fair and inclusive local communities that relies on rule of law, freedom of expression, media freedom and participatory democracy values.
