CALL FOR PARTICIPANTS

21/03/2025

ENGAGEMENT CAMPAIGN

POWERYOUTH CAPACITY BUILDING PROGRAMME CALL FOR PARTICIPANTS

DO YOU WANT TO BE ONE OF THE PARTICIPANTS TO TAKE PART IN THIS EXCITING PROGRAMME?

This is your opportunity to join the **POWERYOUTH Capacity Building Programme** – a free, transformative learning experience co-funded by the European Union.

The **POWERYOUTH Capacity Building Programme** will span **2/2.5 days** of dynamic, interactive learning. This call is for the **first implementation of the programme**, which is scheduled to take place on the following dates:

GREECE: 29/05/2025 - 07/06/2025

PORTUGAL: 01/05/2025 - 31/05/2025

AUSTRIA: 17/5/2025 - 18/05/2025

POLAND: 26/05/2025 - 17/06/2025

LATVIA: 12/06/2025 - 13/06/2025

The program will be implemented twice in each pilot country as mentioned here.

What is this call about?

🔥 Step 1 | Get Ready

- Quick intro to the programme & energy topics.
- Prep a short intro about yourself!

💡 Step 2 | Meet & Connect (Online)

- Join a fun online session to meet your mentors & peers.
- Take a short survey to see where you stand.
- Set your learning goals.
- Get the scoop on the upcoming site visit!

⚡ Step 3 | Hands-On Experience (Onsite Visit)

- Visit a real Energy Community project.

- See solar panels, EV chargers, smart energy and much more in action.
- Chat with experts & locals making clean energy happen.

Step 4 | Learn & Lead (In-Person Training)

- Explore how Energy Communities work.
- Play games, join workshops & tackle challenges.
- Team up to design your own energy project!

Step 5 | Make an Impact

- Plan how to bring energy solutions to your community.
- Join an online session to share feedback & next steps.
- Take part in an Info Day to inspire others.
- Stay connected with the POWERYOUTH expert network!

Participants will explore topics such as financing schemes, implementation strategies, and stakeholder involvement, preparing them to lead energy initiatives.

Eligibility Criteria:

We're looking for motivated individuals who:

- ✓ Are passionate about clean energy and sustainability.
- ✓ Have a strong interest in developing energy communities.
- ✓ Are fluent in English.
- ✓ Are available to participate in all activities.
- ✓ Are aged 18+ and residents of an EU country.

Selected participants are expected to sign a bilateral agreement with the partner organisation.

Where to apply

Apply [HERE](#) ! Join us and don't miss the opportunity to learn more about energy!

Costs and Expenses Provided

The capacity building programme will be offered free of charge, and travel costs for participants will be reimbursed (maximum amount reimbursed is set up to 500 €). Participants have to provide a **record of expenses for reimbursement** to the partner organisation.

Certificate and Recognition:

Participants will receive a certification at the end of the project

Co-funded by
the European Union

Co-funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or CINEA. Neither the European Union nor the granting authority can be held responsible for them

Participants that have successfully participated in the programme will obtain a certificate of professional competencies. With this certificate, the Leader will be able to prove to have acquired essential competencies to support the development, financing and implementation of collective energy actions.

Technical assistance:

Feel free to ask any additional questions to our Helpdesk and/or local contact points:
